You may be aware that  has been sending the attached memo to senior officers who have not been chosen for senior courses. In each case he has suggested a tour in OTE.

*Office of the Director*

The attached memo from D/OTE may be a disappointment to you, but I want to assure you that the competition was stiff for the few remaining approved senior level schools. You can be assured that the DDS&T strongly endorsed your candidacy and will again if you chose to enroll in one of these courses.

With regard to D/OTE's pitch to join the teaching staff for a tour, don't take it lightly. It is the DDS&T's view, and I strongly endorse that view, that we cannot sit in judgment of the OTE program if we don't make available to OTE the experienced, high caliber senior people needed to build and execute a quality training program for our people. While I am not at all endorsing a massive exodus from FBIS, I do think that you should seriously consider D/OTE's offer. Not all people are capable of assisting OTE and I am sure that not all will be interested, but if it strikes your fancy, follow up. The Agency, Directorate and FBIS would be grateful.

MEMORANDUM FOR: |

VIA: Senior Training Officer, DS&T

FROM: [REDACTED]  
Chairman, CIA Training Selection Board

STAT

SUBJECT: Nomination to Attend A Senior Officer School

1. The CIA Training Selection Board met recently to discuss nominations to attend Senior Officer Schools during the 1987/88 academic year. As you know, selection of candidates for these schools is very competitive, and although you were not selected, it should not be considered a reflection on your outstanding Agency record.

2. In fact, the Board thought that it would be appropriate to ask all the Senior Officer School nominees if they would be interested in a rotational assignment to OTE. I would appreciate it if you would consider the idea of joining the OTE teaching staff for a few months to a year so that OTE and its students could benefit from your experiences as a successful manager. I would be glad to talk with you about the possibilities that exist. Please feel free to call me on [REDACTED]
